

# A COVID-19 Re-Opening Compliance Checklist

written by vickyp | May 4, 2020

## **Be Smart And Safe About Reopening Your Small Business In A Post-Coronavirus World**

When you will be able to reopen, of course, depends on a variety of factors: your locale's rules; the impact of the coronavirus in your area and, not insignificantly, the willingness of your customers to head out and into stores and businesses again.

**Use this Checklist to determine if you comply with OHS requirements and remain in compliance going forward.**
