

# Automated Resume and Application Processing Calculator

The image shows a close-up of a spreadsheet with a grid of numerical values. The numbers are arranged in rows and columns, with some cells highlighted in light blue. The values include integers, decimals, and percentages, such as 451, 368, 164, 94, 166, 172, 433, 896, 2.132, 2.870, 2.845, 1.001, 2.427, 1.133, 1.308, 2.424, 2.697, 1.710, 1.692, 1.844, 1.725, 1.199, 1.903, 1.442, 2.032, 1.198, 2.452, 290, 430, 217, 324, 243, 249, 175, 324, 208, 2.452, 1.983, and 1.983. The spreadsheet is slightly tilted, and the background is a light, neutral color.

Use this spreadsheet to calculate the total opportunity for annual savings through the automated resume and application processing (ARAP) savings calculator.
