

Checklist: The 33 Things to Include in Your Racial Anti-Discrimination & Harassment Policy

Sure, you have a written policy to prevent racial and other forms of discrimination and harassment at your organization. But is it a real, living and breathing thing or just a crusty old document yellowing away in an HR binder that nobody pays attention to? The time has come for all employers to take a hard look at their current policies to ensure that they're up-to-date and suited to current conditions and the crusade to rid society of racism and discrimination once and for all. Here's a Checklist you can use to review your own policy.
