

Corporate Credit Card Policy

The corporate credit card cannot be used to obtain cash advances, bank checks, traveler's checks, or electronic cash transfers for expenses other than those incurred by the assigned employee named on the card, or for personal expenses. Misuses of the card will result in cancellation of the card and withdrawal of corporate credit card privileges. If the card is used for an employee's personal expenses, the employer reserves the right to recover these monies from the employee cardholder. Cardholders will be required to sign a declaration authorizing the company to recover, from their salary, any amount incorrectly claimed.
