

COVID-19: What Canadian HR Professionals Need to Guide You Through This Pandemic

Be Smart And Safe About Reopening Your Small Business In A Post-Coronavirus World

When you will be able to reopen, of course, depends on a variety of factors: your locale's rules; the impact of the coronavirus in your area and, not insignificantly, the willingness of your customers to head out and into stores and businesses again.

Use this Checklist to determine if you comply with OHS requirements and remain in compliance going forward.
