Culture, Connection, Compliance – Session 3: COMPLIANCE

Speakers: Jordan & Chen

“Rethinking Compliance: Crafting a Culture of Respect, Safety, and Fulfillment”

Course Description:

In today’s competitive business landscape, a workplace culture that nurtures respect, safety, and positivity is a strategic advantage that can enhance your company’s reputation, attract top talent, and boost employee satisfaction. Join us as we share actionable insights to help you on the journey of creating a workplace environment that respects employees, supports their well-being, and upholds legal compliance.

This is a hot seat session – and we will answer any of your questions pertaining to…

1. Promoting Respect and Inclusion in the Workplace
2. The Compliance Side of Employee Well-being
3. Safeguarding Your Organization and Employees
