[Searching](#) on HR Insider is quite simple. Type in your keywords in the search bar located at the top of the screen.

The screenshot displays the HR Insider website. On the left is a navigation menu with the following items: Overview, Topics, Policies, Tools & Resources, Law & Cases, Webinars & Videos, Online Learning, Ask the Expert, Jurisdiction, and My Compliance. At the top right is a search bar with the placeholder text 'Search for tools, insights & solutions'. Below the search bar is a 'Trending' section featuring three articles:

- Employee or Independent Contractor?** (Image of a woman at a laptop)
- The Use of Lie Detector Tests – Know The Laws Of Your Province** (Image of hands on a lie detector machine)
- Searching an Employee's Locker for Illegal Drugs – Ask The Expert** (Image of a hand opening a locker)

Below the trending section, there are two more article thumbnails:

Your results will appear on the search page. To filter your search results even further, use the checkboxes on the left of the screen to choose a jurisdiction, topic or tool.
