

Hiring and Recruiting with Attention to Diversity

What exactly is workforce diversity? Why is a diverse workforce important? How do you improve workforce diversity? What are the benefits of workforce diversity?

If you're like other HR professionals, you want succinct answers to these questions. And it would also help if best practices could be quickly and clearly articulated.

Well, "Workforce Diversity: The Fresh Face of Employment in Canada," a report from Randstad, Canada's largest provider of staffing and HR solutions, offers all this and more.
