

# Pandemic Flu Policy

## **Problem:**

The OSHA General Duty Clause (GDC) requires employers to protect workers from known hazards, which may include flu. One way to carry out this obligation is to establish a company policy for handling flu outbreaks.

## **How Tool Helps Solve the Problem:**

The following Pandemic Flu Policy, which is based on a U.S. government model, can also be adapted for seasonal influenza. In either case, make sure you adapt it to fit your own circumstances.
