

New Employee Onboarding Checklist

It's the new employee's first day and she eagerly reports for work, only to find the company has done very little or nothing to prepare for her arrival. Her enthusiasm for the job immediately begins to wane.

Don't let this be the scenario at your organization.

HR Insider's New Employee On-boarding Checklist helps ensure that all the little details get attention so that your organization makes a favorable first impression—and your new hire hits the ground running.
