

Mastering Workplace Investigations: Strategies for Risk Mitigation and Legal Compliance

Date: Nov 8

Time: 9 AM Pacific

Speaker: David Rojas, Encompass Benefits

Mastering Workplace Investigations: Strategies for Risk Mitigation and Legal Compliance

This session will offer an introduction to workplace investigations to mitigate risks for the organization and comply with provincial employment laws. We will go over fundamental principles of successful investigations, investigator skills, emotional intelligence, and bias recognition. Planning and investigation steps will be covered while discussing real life cases.
