OPERATION EMPLOYEE ENGAGEMENT

► How Can You Keep Employees Motivated at Work?

Enthusiastic employees are the lifeblood of every business. If workers aren't engaged with what they do or the people they work with, they ultimately aren't committed to the success of the company. How can businesses recognize this truth and use praise as a way to motivate their teams?

According to Gallup, there are three main levels of engagement among employees. These components are vital symptoms of a worker's satisfaction.
