Take This Survey for a Chance to Win a Kindle Fire

HRInsider's goal is to give HR professionals the information, tools and resources they need to manage their companies' HR programs and ensure compliance with HR laws.

To ensure that we're hitting the mark and giving you the content you need—and in the format you want—we're conducting a new survey on:

- How useful you find some of the existing types of content we provide, such as blogs, model tools, and Hot Topic Centres.
- How you use this content, such as to train workers or educate senior management
- What new types of content you'd like us to provide.

As a thank you for completing the survey, you'll be entered into a drawing to win a Kindle Fire! Not a bad deal for a few minutes of your time!

We'll report back on the results of the survey and use your feedback to guide changes to the HRInsider.
