2017 was a watershed year in HR. We've all been so busy covering all the dramatic new changes and developments that we haven't had a chance to sit back and reflect on what they all mean today and in the years ahead.

Until now.

**Topics Include:**

- Sex Harassment Upsurge
- ESA Changes including \$15 minimum wage
- Legalized Cannabis & Drug Testing
- Most Significant Court Cases of Year
- Predictions & Trends

**About the Presenter: Glenn Demby**

Glenn Demby is a award winning journalist who specializes in translating law into plain English. Glenn describes himself as a teacher trapped in a lawyer's body who, after spending 5 years in corporate Wall Street legal practice, set out to make a career in helping business professionals who didn't go to law school and lack full-time access to counsel make sense of the laws they confront on the job each day and what they must do to comply with them.
