

Top 10 Business Card Blunders

A business card won't win you a job. But it could lose you one. Here are 10 common business card mistakes to avoid:

Typos

Nobody in their right mind is going to hire a "Safety Professoinal." In safety, as in most endeavors, attention to detail is critical. So, for heaven's sake, proofread your business card before you print out hundreds of copies and distribute it to the world.
