

Whistle Blower Protection Policy

written by Rory Lodge | November 10, 2015

Introduction: How to Use This Tool

Encouraging and protecting employees who demonstrate integrity by identifying unethical and illegal activities in the workplace is an important part of workplace management. A Whistleblower Protection policy demonstrates an organizations commitment to taking whistle blower protections seriously and lays out the foundation for addressing some types of workplace misbehaviors. This policy template provides a structure for defining your organization's Whistle Blower Protection Policy.
